Wear A Poppy

Mayor H. B. Pack presented Mrs. Bobby Mullins, Appomattox Town secretary with a Buddy POPPY and declared Friday and Saturday Poppy Days in Appomattox.

The American Legion Auxiliary points out that wearing a poppy on Poppy Day, Saturday, May 20, will honor more than half-million Americans who died and the nearly one million wounded during World War I, World War II, the Korean War and the current Vietnam Conflict. Inaugurated as a Memorial flower for the war dead of World War I, the traditional red poppy has become a symbol of remembrance for all those gallant men and women who lost their lives in defending our American freedoms for almost half a century.

Contributions made by the public on Poppy Day have aided as many as 12,000 disabled war veterans who were able to add a little to their small incomes by making these small poppies.

Poppies will be offered to the public Friday and Saturday by the American Legion Auxiliary, assisted by various groups from the schools. Take a Poppy, contribute and WEAR it.

The request comes from the Community Mental Health and Mental Retardation Services Board of Central Virginia, with Dr. Robert Gardner, of Lynchburg as psychiatrist-director. Dr. Gardner appeared before the board together with the two membersof the board from Appomattox county: Mrs. H. B. Pack, III and O. H. The $6,646 request will mean that the county can participate in a mobile mental health clinic, can continue its participation in the schooling of retarded children in special classes in Lynchburg, and be a part of an ambitious 10-part program outlined by Dr. Gardner.
